

BRIDGE  **3**

**Unlock the
power of
Digital Practice
Management
#Xerocon**

Welcome to a fully connected world with Bridge³

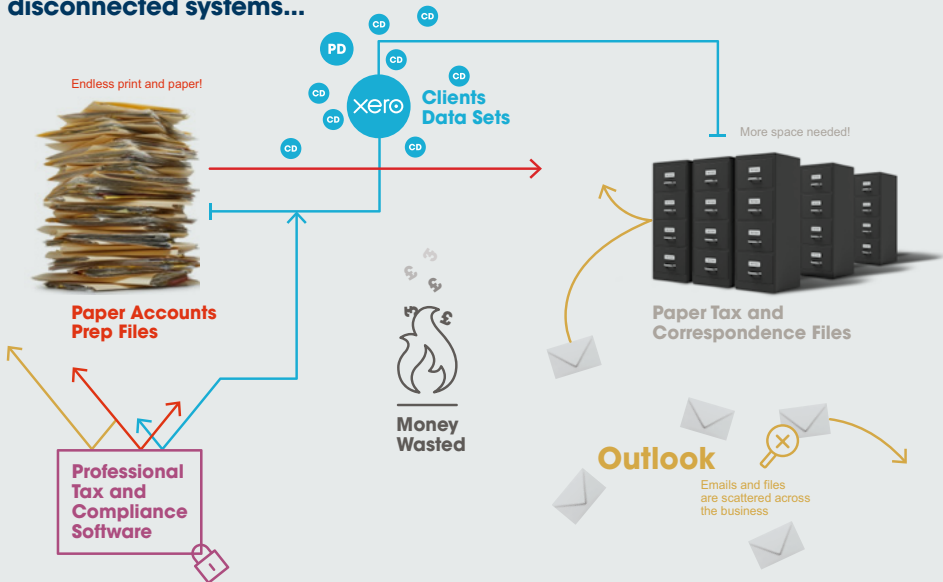

So who are Bridge³ and how can we help you?

**It's our goal to make
your life that little bit
easier by making your
professional business
software work for you.**

As a Practice Studio Partner, Bridge³ are one of only four firms in the UK that Xero recommend to carry out Xero Practice Manager (XPM) installations for other accountants, because of our knowledge and experience in the subject. Bridge³ were selected, trained and certified by Xero to carry out these implementations.

As a Certified Practice Studio Partner, we can help you get the most out of XPM by setting everything up for you, tailoring it to your needs and training your staff.

A big transformation from your usual disconnected systems...

Smoother integration with existing systems, more chargeable time, immediate cost savings and better recoveries. Here's how...

SuiteFiles

Benefit from:

- No more wasted filing space
- No more time hunting for files
- Multiple users can access at the same time
- Accessible from anywhere
- Confidential filing of practice documents
- Set secure user access levels

Xero Practice Manager

Benefit from:

- Workflow Management
- Deadline Management
- Time & Fees Management
- Productivity Management
- Opportunity Management
- XPM is the key, the central hub to connected quick efficient systems

Outlook

Benefit from:

- All sent and received emails to clients are held in one place
- Even organised down to projects being in one separate place
- Full audit trail

Xero Workpapers

Benefit from:

- Sales up and Stationery costs down
- No more expensive & wasted storage/floor space
- Fixing standardisation consistency, and quality
- Data not in separate places
- Synchronisation of multiple databases

iridia

Benefit from:

- Regular automated monitoring to ensure vital data is the same in XPM & Professional Tax and Compliance Software
- Alerts for any conflicts found
- Improves practice efficiency
- Saves time & improves accuracy
- You know your data is always up to date

So why do you need Bridge³?

**Experience, knowledge,
been there and doing it.**

**High value delivered
and happy customers.**

**What more could
you want?**
